

Poetry For The Leader Inside You

A Presentation by Dale Biron

Who says leadership starts at the top? Wonder if it actually starts at the bottom... at the very bottom of our own hearts and soul. Perhaps what we need are tools to plumb, polish and project the unique qualities and wisdom we already have deep inside us. Tools that help us genuinely connect with *our selves, others* and *other*, then our ability to skillfully influence and lead in any situation will naturally follow. Come hear Dale Biron discuss how poetry helps us accomplish all these things and more in his new book: **Poetry For The Leader Inside You – A Search and Rescue Mission For the Heart and Soul**. Whether you lead a whole team, a team of just you or an entire organization, you'll find tips, tricks and some beautiful, stunning language to take with you.
